2025 Brother Nature Field Blend

HAHDORF HILL
ADELAIDE HILLS

Robert Parker Wine Advocate, Erin Larkin - AUG 2026

91 POINTS

"The 2025 Brother Nature Field Blend is a true field blend. The vineyard is planted to 12 different white varieties, and these are harvested together and co-fermented. Aromatically, the wine leads with pear and apple, cheesecloth and white flowers, chamomile too, with citrus peel and soft leaf herbs. The palate is chalky and fresh, with an attractively rounded-out, cohesive finish. This is great. It's pretty. 12% alcohol, sealed under screw cap."

James Halliday Wine Companion, Mike Bennie - JUL 2026

93 POINTS

"From a single planting of vines that hosts 12 different white grape varieties. They are all co-harvested and co-fermented. Many instruments in the orchestra! It ends up a medium-fuller-flavoured white wine but with a levity and freshness. Squeaky textured with a little grip. Light tropical-fruit characters, green mango, just-ripe pineapple, touches of tonic water, young cashew and pine needle. Super fun to drink, with plenty of interest."
