“Proper Grigio tendencies here, with fragrant pear and subtle musk notes to begin, air-lifted and open to allow fresh and bright fruit tingle vibes to drive the drinking senses with energy and joy in the style. Lemon dominates the citrus leans, clear and fresh, sunshine and orchards in the glass. Drink now-2032.”

“White orchard fruit, flowers, cantaloupe and citrus blossoms on the nose. The palate is mid-weighted with plenty of fruit generosity, bright acidity and a textured, giving mouthfeel. Varietal and refreshing. Drink now. Screw cap.”
